

King Traditional Dress Code

A dress code has been established for King Traditional Elementary School for many reasons. Among these are:

- to help develop a strong school focus and team spirit
- to give students a sense of belonging to a unique school
- to discourage competition based on clothing
- to promote a focus on learning

The parent dress code committee manages the consignment shop and helps parents with all aspects of meeting the dress code requirements. The dress code contacts for 2007 -2008 are:

- Uniform supplier liaison
- Consignment shop
- Dress code information/interpretation

Please direct your questions to the appropriate committee member. Note that the committee provides a service to the KTES community, but does not set the dress code. Suggestions for changes to the KTES dress code are issues to bring before the PAC executive in the manner set out in the PAC constitution. In 2002-03 specific guidelines were set for the discussion of changes to the dress code. This change arose out of the concern that dress code issues could otherwise dominate PAC meetings and place a stranglehold on other PAC undertakings.

It is the responsibility of the parent/guardian and the student attending KTES to support the dress code. PAC members will do regular dress code inspections and award prizes to classes with the most students dressed properly. Dress code requirements are as follows:
