

Traditional Advisory Committee
MANDATE

The purpose of the T.A.C. is ...

- to bring teachers, parents, principals, district representatives and students (where appropriate) together for the purpose of sharing information and developing common understandings about issues that affect all traditional schools.
- to share procedures regarding common themes so that members may more clearly articulate their visions of Traditional Schooling with an aim to creating consistency across schools and/or promoting continued program excellence.
- to provide opportunities for sharing program successes that build enthusiasm for the Traditional School Model.
- to build feelings of solidarity amongst constituent groups that provide for mutual support and access to shared expertise to ensure continued excellence within SD#34 Traditional Schools.
- to assist in the long-term planning of Traditional Programs and act as an advisory body to the District Superintendent.
- to seek feedback from our students, parents, teachers and administrators that will allow for the perpetual betterment of our programs.
- to ensure that information coming out of our meetings is systematically shared with all those affected by Traditional Schooling.
